SEO Services Expert Enters Partnership with Hatchback

Now providing marketing automation and CRM services & support to clients.

ST. LOUIS, MO – October 27th, 2015 – **SEO Services Expert** is an Internet Marketing agency specializing in SEO, Social Media, Web Design & Video Production Services. They have just announced an agency partnership with [Hatchback](#), sales and marketing software for small business. Hatchback automates your sales and marketing efforts and turns emails into conversations, website visitors into handshakes, and customers into raving fans with all-in-one sales & marketing software.

“Marketing automation and CRM help businesses close the loop on their online marketing efforts. Hatchback’s software provides a path for businesses to convert website visitors into actionable leads and to automate the follow up process,” said Scott Carvin, CEO of <http://SEOServices.Expert/>. “It used to be that automation and CRM software was only for big businesses with large marketing budgets. Hatchback makes automation possible for small- and mid-size businesses too. We’re very excited about the opportunity to offer it to our clients.”

SEO Services Expert can now offer smaller clients an affordable solution for managing marketing campaigns that create tangible and trackable ROI.

SEO Services Expert and Hatchback have created a partnership to give its small business clients additional resources to help grow their companies both in the short and long term.

*“Marketing agency partners like **SEO Services Expert**, reach more small businesses and help them to achieve sales and marketing success,” said **Don Breckenridge, Hatchback CEO**. “We believe strongly that small businesses deserve easy to use, affordable sales and marketing software to cultivate their growth. That’s why we’re here”*
